

## WHAT IS PARADIGM PATHWAYS?

Paradigm Pathways is an Integrated Healthcare Plan that helps employers save money - while enhancing the health and financial wellbeing of their most important asset:

*Their Employees.*

### Improving Health

**Paradigm's Pathways Integrated Healthcare Plan is independently validated to improve employee health.**

#### Pathways is:

- ✓ **Personalized** – providing a unique path for each employee
- ✓ **Predictive** – utilizing data to understand an employee's potential healthcare needs
- ✓ **Preventative** – providing employees a path to change their wellbeing for a healthier future

### Achieves Results by Providing:

- A Health Risk Assessment
- Apps to help with weight loss, diabetes & substance abuse
- Virtual ER Telemedicine
- EAP

### Enhancing Financial Wellbeing

Pathways Integrated Healthcare participants create a Benefit Reserve they can choose to use to purchase a variety of voluntary benefits via the employer's choice of brokers and carriers.
